

The Wintu Tribe of Northern California

**Presents**  
**The Canary Effect**  
**Documentary**

**The Wintu Tribe of Northern California is hosting**

a viewing of the 2006 Documentary

*"The Canary Effect."*

*This Documentary* takes an in depth look at the devastating effect that US policies have had on the Indigenous peoples (Native Americans) of America. The film creates a link between the past and present in a unique way never before explored on film.
